LMARS Usage

- Use of LMARS data
 - [Explain how your Component uses the LMARS data - e.g., monitoring performance, corrective actions, incorporation into other metrics databases]
 - **AF Response: LIMS-EV does not use LMARS**
- LRT File from DLA Transaction Services
 - [Do you get this file and what do you do with it]
 - **AF Response: LIMS-EV does not use LRT files from DLA Transaction Services**
- LMARS Reports
- **AF Response:**
 - **For the LIMS-EV Pipeline Analysis information we use Standard Base Supply System(SBSS) and Stock Control System (SCS) legacy data feeds and calculate the Pipeline metrics**

LMARS Enhancements Wish List

- [Identify top two enhancements you need to have in LMARS]
 - [Criticality of change]
 - [What is the gap to be filled]
 - [How will the enhancement benefit you]
 - [Any projected savings by implementing this enhancement]
- **AF Response: The DLA data we currently use is very limited, but we plan to acquire a dataset similar to ALC-AF Assets**
